

Minnesota State High School League

State Dance Team

2018 STATE DANCE TEAM RESERVED SEATING PROCEDURES – Prelims

1. There will be “limited” reserve seating for the State Dance Team Tournament. Schools will have the opportunity to purchase a limited number of reserved seats. These seats will be “blocked” so that your parents will be able to sit together. Reserved seats are for parents of dancers and their immediate families – not for the student body or the general public.
2. Teams qualifying for state will receive a form and instructions for selling reserved seats. There is a maximum for each class of 108 tickets per school.
3. Coaches have until **Wednesday, February 7 at 9:00 am** for those completing Sections on Saturday, February 3; and **Monday, February 12 at 9:00 am** for those completing Sections on Saturday, February 10 to send in their ticket order. Schools that advance to State may sell \$16 reserved seat tickets (general admission is \$14) to parents and immediate family members.
4. Each school is responsible to collect the money and to pay for the tickets either by mailing a check, payable to the Target Center, to the MSHSL Office or by presenting the check at registration. Once tickets are ordered and purchased by the school they cannot be returned.
5. Seating areas will be designated, and each school will be assigned a section and specific rows, but there will not be specific seat assignments.
6. Tickets will be sent to each school. These will go out on the Monday prior to the tournament via SpeedDee Delivery from the MSHSL Office.
7. **The MSHSL will e-mail each school, information to distribute regarding the section and rows to which your school is assigned for the prelims (reserve seats only).**
8. All seats in the reserved seating area are reserved for your class competition only. After that time these seats must be vacated.
9. Target Center personnel will monitor the reserved seating areas, and make sure that seating is limited to those holding reserved tickets.
10. See the additional information regarding reserved seats for teams advancing to the finals.
